Nothing is more beautiful than a confident lady who does not pretend to be someone that she is not. A lady does not dress to impress, she dresses up to match her inner soul beauty.

More than clothing, LA GANRRA is a London based women's fashion brand, the destination for confidence, accessible elegance and premium quality. It is for the lady, who is unafraid to be seen, embrace her feminine spirit and enjoys a bit of adventure.

Summer/Spring 2020 collection "Contro Il Mondo" marks LA GANRRA's grand entry to the fashion world. As the literal meaning, "Contol Il Mondo" in English means "Versus The World". LA GANRRA lady is going to forge her own way and celebrate her uniqueness in all aspects of life.

LA GANRRA offers 3 lines including Ready-to-Wear, Shoes and Accessories, all reflecting a high level of quality with affordable pricing. LA GANRRA is distributed globally via direct channels, including LA GANBRA official website, and pop up stores in different countries (in the U.K., the U.S., Italy, Spain, Japan, Australia).

We offer free international shipping on all orders \$300, and free return.
